

# CARBON NEUTRAL PRODUCT

ARCORA® International GmbH supports the following UN goals for sustainable development:

ARCORA® International GmbH  
Product „MEDICAL BLUE Microfaser Garnbezug 40cm 30.000  
Stück“

Participant ID: DE-3132-1019

Valid until: 19.10.2022

This certificate guarantees that the reported quantity of 32 tons CO<sub>2</sub> has been saved in Gold Standard tested climate projects.

ARCORA® International GmbH has acquired shares (certificates) in climate protection projects corresponding to the calculated volume of 32 tons CO<sub>2</sub> to offset the carbon emissions of “MEDICAL BLUE Microfaser Garnbezug 40cm 30.000 Stück”, and therefore plays a transparent part in the realisation of the projects. This ensures that the company compensates for its own CO<sub>2</sub> emissions, and thus scales back the rise in global warming.

The projects have been certified, and the issue and closure of the certificates is registered transparently.

ARCORA® International GmbH is therefore a voluntary participant in emissions trading, and thus makes a contribution to maintaining a viable environment by reducing the emissions of greenhouse gases. The holder of this certificate makes a sustainable contribution to the commitment to tackle global warming.
